

WHAT'S ON MARCH

New Season Membership

Hello again everyone! The new season's coming up fast, and it's time for membership renewal – the "membership year" runs from April 1st to March 31st. Prices remain

unchanged, and there's a reduction for prompt payment this month. Shaun, our new Treasurer, is especially keen to have a clean and accurate record of contact details, so please take two minutes to complete the form that's attached along with this "What's On".

New Season Team Tennis

And coming up fast is the new Summer League season, beginning after Easter. We're busy planning squads, and if you fancy playing team tennis please do let us know. We field teams in a wide range of divisions, so do get involved. **If you're not already in a squad and would like to play**, just drop a line to our Club Captain, John Kennedy, at johnpatrickkennedy@gmail.com.

New Season Coaching

To get fully ready for the summer and improve your game, we have a full coaching programme for adults as well as juniors. There are **great sessions designed for every level of experience** from beginner to regular team

player. The summer programme of group coaching begins on 16 April, and of course you can arrange one-to-one sessions with our coaches at any time. For full details of what's on offer, the days and times and how to book, go to <http://www.wbtc.org.uk/adult-coaching.php> and <http://www.wbtc.org.uk/junior-coaching.php>.
