

Dear Member

I trust you are keeping well during these difficult times for us all, and have the support and help that you need.

As you are aware, following the Government directives a fortnight ago, the LTA stopped all competition and coaching and closed national Tennis Centres. Similarly Bowls England suspended all matches. The Prime Minister's announcement on 23rd March, urging us to remain at home except for one hour of exercise a day, either alone or with our household members, meant a suspension of bowls and tennis for most of us.

We felt able, in line with the directives, to keep the tennis courts open for members of the same household, but the LTA have now instructed that all LTA registered venues should be closed, and in line with all other clubs in the county we must observe this. So, I am writing today to tell you that the Club will be closed for ALL tennis and bowls activities for the time being, and ask you to bear with us at this time.

As soon as we are allowed to open the Club again, we will. Our programme of maintenance will continue so that both courts and green will be ready for play as soon as it is safe for us all to get back out there.

Keep safe.

With kind regards,

Jenny Royal  
Chair - General Committee  
Woodstock Bowls and Tennis Club
