

## UPDATE 24<sup>th</sup> March: The TENNIS CLUB and CORONAVIRUS

**We must as a club continue to observe government guidelines.**

1. As you will no doubt know, the latest restrictions announced last night allow us to leave home to exercise once a day, but it must be **alone or WITH A MEMBER OF THE SAME HOUSEHOLD**. You must not meet, mix or play with anyone who is not a member of your household. Please observe this **STRICTLY** if you come to a tennis court.

2. Further to our last update, the clubhouse is now strictly **out of bounds, including the toilets. PLEASE DO NOT ENTER THE CLUBHOUSE.**

Many thanks for observing these essential regulations.

**The situation is changing fast and constantly, and we will immediately be in touch with new developments. We look forward to bringing much better news very soon.**

**All good wishes to everyone in these unprecedented and challenging times. Stay safe and well.**
